**3 Pack of Covered Note Pads (bottom right):**

- Started with a 3 pack of 4" x 6" notepads from the Dollar Store
- Cut 2 pieces of designer series paper to 6" x 12" (any paper will do; I have used In Good Taste DSP #152494 - \$21)
- Gently fold the paper in half
- Add Stampin' Seal+ (#149699 - \$12 and refills #152812 - \$8) to the front of a note pad, around the edges and a strip in the middle, then using the fold as a guide, match the note pad to the paper, do the same to the back.
- Fold the excess to the inside, you can either adhere directly, or punch a half circle and adhere at the side for a little pocket.
- Once all three note pads are covered, tie together with matching ribbon, add a tag – gift done!
- Use this process on any side note pad with a cover.
