### Love of Leaves Shaker Card (top left):

- Cajun Craze card stock card base – 5 ½" x 8 ½", scored at 4 ¼"
- Gilded Autumn DSP – 4" x 5 ¼"; adhered directly to the card base
- Cajun Craze card stock – 3 ½" x 4 ¾".
  - Stamp greeting on bottom right corner
  - Die cut the leaf of your choice
  - Add a piece of Window Sheet (#142314 - \$5) cut big enough to cover the opening made from the die cut on the back of the card stock, I like to use Tear & Tape (#138995 - \$7). The Leaf dies leave a nice stitched image around the opening
- Add foam adhesive strips to the back of the Cajun Craze to create the well to hold sequins as well as around the edges of the piece for stability.
- Do a dry fit of the Cajun Craze to the DSP to see where the window will be, add sequins in a thin pile to the DSP
- Adhere Cajun Craze piece down creating the "Shaker"

- I have used a combination of the Sequins for Everything (#153556- \$12 & sequins from my personal stash)
- Add small bow made from the Basket Weave & Metallic Combo Pack, #153553 - \$8, to complete the card
- Add a piece of Very Vanilla card stock 4" x 5 ¼" to the inside stamped with images from the stamp set.

***Colored Leaves Card (top right):***

- Whisper White card stock card base – 5 ½" x 8 ½", scored at 4 ¼"
- Rich Razzleberry card stock 4" x 5 ¼" for the mat
- Whisper White card stock 3 7/8" x 5 1/8" for stamping
- Randomly stamp images from the stamp set, colors I have used include:
  - Rich Razzleberry
  - Cinnamon Cider
  - BumbleBee
  - Pumpkin Pie
  - Poppy Parade
  - Granny Apple Green (not on pictured card)
- Piece of Rich Razzleberry is used for the banner on the card front ( ½" wide)
- Whisper White strip is stamped with greeting then hand cut to the size desired.
- The fun part about this card is any color combination you like would look good; the possibilities are endless! Just use a coordinating color for the mat.
