- Wrap a 7" piece of Cherry Cobbler & Gold Metallic ribbon around, securing in the back of the Very Vanilla with glue dots.
- Stamp the sentiment of your choice in Cherry Cobbler ink on Very Vanilla card stock from the Christmas to Remember stamp set and die cut with label from the Seasonal Label Dies (part of the Christmas Season Bundle)
- Adhere sentiment piece with Stampin' Dimensionals
- Add bow with glue dots

***Christmas Tags – featuring the Tailor-Made Tag Dies:***

- Die cut the tags of your choice using the Tailor-Made Tag Dies and Thick Basic White card stock
- Cut ½" strips of designer paper, add to the die cut tag
- Stamp sentiment of your choice
- Add ribbon

***Frightfully Cute Extended Z Fold Card (with additional photo's below):***

- Pumpkin Pie card stock 4 ¼" x 11", scored at 1 ¼" and 5 ½" for a Z fold
- Cut Designer Series Paper:
  - 4" x 4 ¼" and 2" x 4 ¼" – I used the same print
  - 1" x 4 ¼" – coordinating print
- With the 1 ¼" score on the left side of the card base, adhere the 2" x 4 ¼" piece of designer paper to the far-right side.
- Close the card base so that you see the Z fold
- On the left side, you will line up the 4" x 4 ¼" piece of designer paper and adhere to the underside of the far-left edge of the card so that the far left and middle sections are both 4 ¼" x 4 ¼". Be careful not to adhere the card closed, I recommend adding the adhesive to the far end of the card stock, not the designer paper.
- Add 1" x 4 ¼" designer paper over the seam on the front of the card
- Wrap 8" piece of Highland Heather Ribbon around and adhere in the front, don't worry if there is a space, the stamped label will cover that.
- Stamp images from Frightfully Cute & Little Delights stamp set in Memento Black ink and Pumpkin Pie ink on the inside center panel
- Labels are die cut from the Hippo & Friends dies and stamped with images from the stamp sets listed above in Pumpkin Pie, Highland Heather, Granny Apple Green and Memento Black ink.
- Add three Cute Stars Adhesive Backed Sequins
