***One of a Kind Card (shaving cream & reinker's used with Plenty of Patterns Decorative Masks for background):***

- Card stock base – 5 ½" x 8 ½", scored at 4 ¼"
- Shimmery White card stock – 4" x 5 ¼"
- Card stock mat – 2 ½" x 5 ¼"
- Basic White card stock 2 ¼" x 5 ¼"
- First stamp image from Amazing Silhouettes stamp set using the Stamparatus using Mango Melody ink, then again using the Stamparatus stamp the greeting from the Slim Sayings Stamp Set in Blackberry Bliss ink (you may need to stamp a few times for a nice dark image)
- To create the background
  - Start with piece of Shimmery White card stock 4" x 5 ¼"
  - Add a mask over the card stock (tape ends down if you prefer, I just held them down with my hand)
  - Using White FOAM shaving cream and apply a thin layer about 4" x 4" in size to a piece of wax paper
  - Add drops of re-inker (I used 4 colors: Daffodil Delight, Balmy Blue, Flirty Flamingo & Gorgeous Grape)
  - Use toothpick to swirl the colors together – just don't over mix (or you get mud color)
  - Pickup a small portion of shaving cream using an old gift card/credit card
  - Drag the shaving cream down the mask to add color to the card stock, may need to do this a few times to cover entire piece of card stock. One portion of shaving cream should work for one background.
  - Use remaining shaving cream on other piece of card stock for backgrounds
  - Run mask under warm water and clean with dish soap, dry well.
