- Card base – 4 ¼" x 11", score at 5 ½", from one end cut off 6 piece ½" wide
- Burnish fold and close card, I hold the top down with a clear stamp block
- Lay out 4 strips starting at the bottom, leaving a small space between each
- Then use the last 2 strips for the vertical planks, these can be added to the front or back of the 4 horizontal strips. Some people like to use washi tape to hold the vertical strips in place before gluing them down. Liquid glue works best adhering the vertical strips.
