- On the front and back Basic White die cuts sections stamp images and greetings from the Lasting Joy Photopolymer Stamp Set which coordinated with the Countryside Inn 12" x 12" Designer Series Paper.
- Ink colors include Night of Navy, Misty Moonlight, Balmy Blue and Boho Blue.
- Once you have all your stamping and die cutting (middle section), add the Basic White to the card stock mats
- Adhered the middle 2 sections of the designer paper together to form a stronger page.
- To add your stamped & matted sections, start with the front section, then move to the center section – lay that section on top of the front piece and close the middle designer series paper section over that, then do the same for the last section. Doing it this way helped me get everything lined up. If you have a favorite feel free to do it that way – mine is a suggestion.
- To finish the card, add some Adhesive Backed Sequin Trio elements and a Boho Blue bow.

Circle Sayings Card (top right):

- Thick Basic White card stock base 5 ½" x 8 ½", scored at 4 ¼"
- Mat of Lost Lagoon card stock 4 1/8" x 5 3/8"
- Using the largest circle die from Stylish Shapes Die - die cut circle from middle of mat
- Delightfully Eclectic 12" x 12" Designer Series Paper – 4" x 5 ¼"
- Circle Sayings Bundle for stamped & punched circle. I've found it easier to punch out the circle, then stamp, this way you can see where you stamp. Don't forget to use a pierce mat (item 126199 - \$5) with photopolymer stamps for better images. Add to die cut circle
- Die cut the smallest banner from Stylish Shapes Die using a piece of Soft Shimmer 12" x 12" Specialty Paper (item 161750).
- Cut banner in half and add to back of die cut piece – then to card front with Stampin' Dimensionals.
- To finish the card, add some Adhesive Backed Sequin Trio elements.
- To can make 2 cards from 1 piece of designer paper 4" x 12" – with the remaining 1 ½" x 4" piece of designer paper, cut to ¾" x 4" and add a piece to the inside of each card.

Faux Step Fold Card (bottom):

- Card stock base – 5 ½" x 11", score at 4 ¼" and 8 ½"
- The smaller section is the front of the card, there are folds to open the card.
- From the remaining card stock piece, cut to 2 - 1 3/8" x 11" pieces, then cut as follows:
 - 1 3/8" x 2 ¾"
 - 1 3/8" x 3 ¼"
 - 1 3/8" x 3 ¾"
 - 1 3/8" x 4 ¼"
- Cut Delightfully Eclectic 12" x 12" Designer Series Paper:
 - 4 1/8" x 5 3/8"
 - 1 ¼" x 2 5/8"
 - 1 ¼" x 3 1/8"
 - 1 ¼" x 3 5/8"
 - 1 ¼" x 4 1/8"
- Mat the 4 pieces of designer paper 1 ¼" wide onto the 4 pieces of 1 3/8" card stock
- Use the corner of your score board to help attached the 4 pieces starting at the top with the 2 ¾" long piece to the card front.

- Basic Black and Basic White banners are from the Nested Essentials Dies.
- Sentiment and leaves are from the Layering Leaves Stamp Set. Outline stamped in Memento Black ink and filler image in Calypso Coral. Stamp off if desired.
- Punch out leaves with the Bough Punch
- Scrap of Calypso Coral used for the small punch out.
- For the inside need a piece of Basic White card stock 4" x 5 1/4", stamp as desired or add designer paper strip.
- Finish card with a Gingham bow and 3 Flat Adhesive Backed Pearls
