

3 in 1 Fun Fold Card

Especially for You from Karen Thomas,
Your Stampin' Up! Demonstrator

Cutting & Scoring:

- Main Card base (Poppy Parade on mine) – 5 ¼" x 8 ¾"
- Pretty Peacock card stock Mats
 - 2 – 3 ¼" x 3 ¼" (adhered to card base)
 - 2 – 2 ¾" x 2 ¾" (used at mat for 3" x 3" card)
 - 7 – 1 5/8" x 1 5/8"
- Basic White card stock
 - 2 – 3" x 6" scored at 3" (small cards added to the card)
 - 2 – 2 ½" x 2 ½" (on mine card, I used the punch and cake stamp instead for one)
- Designer Series Paper
 - 7 – 1 ½" x 1 ½"

Instructions:

1. Follow instructions below to create the card base
2. Burnish all score line with bone folder
 - a. Burnish the 2 center score line inward
 - b. Top score will fold towards the back
 - c. Bottom score will fold towards the front
3. Adhere the 7 square of designer series paper to their mats, then to the card base.
4. For me, I found stamping and decorating the 3" x 3" cards first, then adding to the main card was the easiest.

A Gift for You from Karen Thomas, your Stampin' Up! Demonstrator

Card Base – 5 ¼" x 8 ¾"

- With 8 ¾" side at the top, SCORE at 3 ½" and 5 ¼"
- Adhere the 3 ¼" x 3 ¼" card stock mats to the top right & bottom left corners, leaving an even border (this helps with the next step).
- With the 8 ¾" at the top, line up at 1 ¾" and SCORE down 1 ¾" (just above the card stock mat you added). Rotate card stock 180 degrees and repeat.
- With the 5 ¼" at the top, line up at 1 ¾" and CUT from one score line to the other. Rotate cardstock 180 degrees and repeat.
