- Stamp and add the Basic White panels to the back of the card.
- Close card, wrap belly band around and secure. I've added ribbon around as well. Decorate as desired.

Covered Note Pad:

- 4" x 6" note pad from Dollar Tree Store
- 4 ¼" x 6 ¼" piece of chip board or even two pieces of a cereal box glued together
- Card stock 4 ¼" x 6 ¼" – 2 pieces to cover front and back of chip board
- Card stock 4" x 8 ½", score at 6", add to front of note pad, "fold over" and glue down to the back of the note pad, I leave the "fold over" portion without glue.
- Designer Series Paper – 3 ¾" x 5 ¾" for front cover

To present as gift, I've used a self-sealing cellophane bag 6" x 9" from Amazon. Have the sealing part of the bag at the bottom. Tie a bow around using about 24 inches of Gold 1 ½" Weave Trim Ribbon.
