- Stamp, color, and die cut flower bunch and vase – add to the “pop-up” piece in the center of the card. I’d suggest doing other stamping on the card inside before adhering (speaking from experience).
- Front of card:
 - Darling Duckling Two-Tone card stock $2\frac{1}{4}$ ” x 5”, embossed with folder of your choice. I’ve used the Sunflower 3D Embossing Folder. Adhere directly to card front.
 - Use Basic White card stock to die cut 2 rectangles from the Perennial Postage Dies
 - Stamp images as desire and add to card front with Stampin’ Dimensionals
 - Greeting from Banner Saying Stamp set – punch out with Three Banner Punch.
 - Add embellishments of your choice.

Easter Joy DSP Card (right):

- Shy Shamrock card stock – $4\frac{1}{4}$ ” x 11”, score at $5\frac{1}{2}$ ”
- Easter Joy SDSP – 1 piece 4” x 4” and 1 piece 3” x 3”
- Cut each piece on the diagonal and add to card front
 - 3” x 3” square can be added with Stampin’ Dimensionals if desired
- Stamp greeting in the diagonal strip
- Add 2 Easter Assortment embellishments

Flip Flap Card (middle):

- Old Olive card base $5\frac{1}{2}$ ” x $8\frac{1}{2}$ ”, score at $4\frac{1}{4}$ ”
- Two pieces of the Lovely & Beautiful Specialty Designer Series Paper both cut 4” x $5\frac{1}{4}$ ” (one for front and one for inside) and a third piece 3” x 4”
- Add one of the 4” x $5\frac{1}{4}$ ” pieces to the card front
- Using the Simply Beautiful Bundle, decorate card front as desired
- For the inside:
 - Add the second 4” x $5\frac{1}{4}$ ” piece of designer series paper to the card base
 - Add 3” x 4” piece of designer paper to the inside of flip flap, adhere flip flap to the center of the card. You can add a gift card to the under side of the flip flap (use a glue dot to adhere).
 - Cut piece of Basic White card stock $3\frac{1}{2}$ ” x $4\frac{1}{2}$ ”, stamp as desired and add under flip flap (this helps hide the adhesive strip of the flip flap
