- Blueberry Bushel card stock base 4 1/4" x 11", scored at 5 1/2" for top fold card.
- Basic White card stock mat – 4" x 5 1/4"
- Basic White card stock – 3 3/4" x 5" to adhere strips to and another piece for the inside.
- Strips of designer series paper anywhere from 1/4" to 3/4" in width and 6" long. For our card we are using the Scenic Coast DSP, but any paper including scraps works.
- Add strips to the 3 3/4" x 5" Basic White card stock either in horizontal or landscape direction. Once all strips are added, flip over and trim off excess. I have used one of the cut offs on the inside of the card, add to the additional piece of Basic White 3 3/4" x 5".
- Cut the piece into 3 pieces (width of your choice) and adhere to the Basic White mat 4" x 5 1/4", then adhere to card base.
- Perennial Postage Dies used for sentiment pieces and coordinating mat.
- Use greeting of your choice from any stamp set.
- Flower from the Summer Happiness Bundle #168124
